

cheat sheet for...

THIEVES CLEANER

1

Windows and Mirrors

1 capful of Thieves Cleaner to 4-5 cup water in glass spray bottle. Provides a streak free shine.

2

Dishwasher Detergent

1 capful of Thieves Cleaner to bottom of dishwasher, provides the clean you've been searching for in a non-toxic dishwasher safe formula.

3

Carpets

1 capful for 4-5 cups water to a steam cleaner can remove dirt and grime from carpets and upholstery. Make sure to spot check.

4

Carpet Deodorizer

Add 3 drops Thieves to 1 cup baking soda, sprinkle over carpeted area, relax a few minutes, then vacuum up that smell to reveal fresh, deodorized, clean surface that is safe for babies underneath.

5

Garbage Cans

1 capful Thieves Cleaner to 3 cups water. Spray both inside and outside to remove dirt and grime. Wipe clean. (No need to wash off) You may also want to consider adding a few drops of Thieves Essential Oil to a cotton ball and dropping into the bottom of can as a weekly deodorizer.

6

Laundry Detergent

1-2 capfuls of Thieves Cleaner as a safe non-toxic alternative to fresh, bright clothes.

7

Stain Remover

Thieves Cleaner straight. No dilution. Scrub gently with brush until its gone.

8

Electronic Screen Cleaner

1 capful of Thieves Cleaner to 4 cups water. Spritz on clean micro fiber cloth and thoroughly wipe screens to remove grim, glare and germs on cell phone screens.

9

Car Wash

1 capful Thieves Cleaner to 1 bucket of water provides an environment friendly alternative to wash your car. Mother earth will thank you.

10

Heavy Degreaser

1 capful Thieves cleaner to 1 cup water. Spray and soak for 5 minutes. Wipe away grease like your name is Houdini.

11

Bathroom Soft Scrub

1 capful Thieves Cleaner to 1/4 cup baking soda. Using a bristle toilet brush, scrub inside of toilets and showers and sit 5 min before rinsing or flushing.

12

Bathroom Cleaner

1 capful Thieves Cleaner to 3 cups water. Spray over counter tops and porcelain. Wipe clean.

13

Toy Soak

1 capful Thieves Cleaner to 3 Cups water in sink or bucket. Let your baby's toys soak for 15 minutes to remove grime and hidden dangers all while providing a non-toxic sanitizer for your tiniest of human's favorite toys. Make sure to rinse thoroughly and dry.

14

Exercise Equipment

1 capful Thieves Cleaner to 3 cups water in a spray bottle. Spritz over weights, and equipment to naturally sanitize before and after each use. (I personally make a tiny "on the go" spritzer for the gym cause... ewe)

15

Floors

Cleaning floors can be so easy with this one solution that cleans, deodorized and adds shine to various hard flooring. 1 capful of Thieves Household Cleaner to 4 cups water (we always add 2-3 drops of Lemon essential oil for the smell and extra shine). Mop as usual.

16

Fridge Cleaner

1 capful Thieves Cleaner to 2 cups water. Great for both inside and a steak free stainless-steel cleaner. Also, who wants harsh chemicals where we store food.

17

Tiles and Grout

1 capful of Thieves Cleaner with 1/2 cup of water in a spray bottle. Spray tile and grout. Let sit for a couple of minutes. Use a small brush to get stains out. You may use less water for stronger concentration as needed.

18

Mattress Cleaner

1 capful of Thieves Cleaner to 3 cups water, add 3 drops Purification essential oil and spritz over entire mattress for overall clean. When using as a spot cleaner, spray thoroughly and scrub with a light bristled brush.

19

Walls

1 capful Thieves Cleaner to 3 cups water. Spray and wipe to remove dirt, grime and sticky finger prints.

20

Pet Kennels

Clean out carrier boxes, kennels or litter boxes with 1 capful Thieves Cleaner to 4 cups water. Spray and rinse out.
